

# Alamo Alarm Company

## Customer Appreciation Referral Program

It is very simple to take advantage of this referral program and start earning **FREE** months of monitoring today!

*"I referred three of my friends to Alamo Alarm Company and using the referral program, I didn't have to pay a monitoring bill for a whole quarter. Thank you for the great service and the referral credits, I look forward to referring more people to you."~ Phil Marcus, Lodi, Ca  
Customer Since 2003*

**Our greatest form of advertising is word of mouth,  
and our best new customers come from our existing customers.**

If you have a friend, neighbor, relative, and/or co-worker that might be interested in having a monitored alarm system by Alamo Alarm Company, please let us know. You already know the type of company that we are and the level of service that we provide. Simply fill out the form below and we will contact the people that you refer. If they decide to have their alarm system monitored with Alamo Alarm Company, we will credit your account 1 month of basic monitoring for every new monitored customer that you refer.

***Thank you for your continued business and we appreciate the referrals.***
